

Greetings all,

As you know, our Covid testing center at Union Township Middle School (UTMS) is operational and available for any staff member or student at Franklin Township or Union Township. We are updating our Covid testing protocols and wanted to make you aware. Beginning Monday, April 11th these will be the testing protocols:

1. Individuals wishing to be tested must follow the process outlined on the [UTS](#) or [FTS](#) homepage under "Diligent Urgent Care".
2. Once the appointment is made, individuals are to park their cars at the designated spot at UTMS.
3. Individuals will then remain in their car and call the testing center at 908-735-5511 extension- 8121.
4. The testing personnel will exit (and re-enter) through the main office doors and swab the individual from their car.
5. Individuals being tested are not to come to the school doors and must remain in their car.

Please note that the hours for testing have changed as well. Hours of operation are now:

M, W, Th- 9am-1pm

Tuesdays- 12:30pm-4:30pm

The testing center is closed Friday-Sunday.
