March 30, 2021

Dear Tiger Family,

Today we were informed of a confirmed case of COVID-19 involving a student at **UTMS**. Contact tracing protocols have been implemented and all impacted parties have been contacted and told to quarantine. The purpose of this communication is to provide full transparency as to our COVID-19 situation. Please continue to communicate with our school nurse anytime a child is ill. This will help us to keep everyone healthy.

We understand the level of concern regarding COVID-19. We encourage parents and students to continue following the Center for Disease Control & Prevention promoted safeguards, such as:

- Staying home when you are sick;
- Washing hands often with soap for at least 20 seconds;
- Covering coughs and sneezes and properly disposing of tissues;
- Limiting close contact with people who are sick and not sharing food and drinks;
- Practicing social distancing (staying at least 6 feet apart);
- Wearing a face covering while in school and on the bus; and
- Continuing to monitor your health for symptoms.

As always, we appreciate our community's support and cooperation. You can assist us by remaining vigilant, but sensible, in your approach to dealing with this health concern.

Yours in education,

Nicholas Diaz, Superintendent
