

UNION TOWNSHIP SCHOOLS

Kerry Foote, Middle School Principal

Dear UTS families,

On behalf of our Community Outreach team, it is with great excitement I announce our first ever UTMS Career Fair Day! On Friday, April 28th, 7th and 8th grade students will have the opportunity to speak with representatives (community members/parents) from varying career paths. Our hope is to have a wide range of professionals set up in the gym to interact with students, answer questions and enlighten students on their overall job expectations and responsibilities.

Ideally, we will have both parents and community members volunteer to set up a table and be available to speak with students from 9:00-11:00 am. If you are interested in participating or learning more about this event, please fill out [this form](#). More details will be provided directly to you within the next few weeks.

Thank you in advance for any consideration! Our team is looking forward to creating a memorable and meaningful learning experience for our 7th and 8th grade students!

Yours educationally,

Kerry Foote
