June 4, 2021

Dear Tiger Family,

I am writing to inform the community of two items:

Graduation

For planning purposes, Governor Murphy's Office recently provided Districts with guidance on outdoor graduation and outdoor end of year ceremonies. For these outdoor events, there is no longer a requirement to wear a mask or to socially distance. We look forward to celebrating our 8th grade graduates next Friday.

Reopening Survey

Recently, Districts were informed of a requirement to submit an updated "Safe Return to School Plan" before the end of the month. The District will present the Plan to the Board of Education for approval at its June BOE meeting. Please take a moment to review our [current plan](#) for next school year. You may provide us with feedback on the plan by participating in this [survey](#). Please note that the Plan is a living document and is subject to change based on guidance.

Yours in education,

Nicholas Diaz, Superintendent
