February 16, 2021

Dear Tiger Family,

We have been informed of several confirmed cases of COVID-19 involving middle school students. Contact tracing protocols were immediately implemented and the impacted parties have been advised to quarantine as appropriate. There is no need for any additional quarantines nor a school closure at this time. The purpose of this communication is to provide full transparency as to our COVID-19 situation.

Please continue to communicate with our school nurse anytime a child is ill; email is preferred after hours and on weekends. This will help us to keep everyone healthy. We understand the level of concern regarding COVID-19. We encourage parents and students to continue following the Center for Disease Control & Prevention promoted safeguards.

Yours in education,

Nicholas Diaz, Superintendent
