PUBLIC PRESENTATION TO BE HELD ON REFERENDUM

The Union Township School District Board of Education is holding a public presentation about its upcoming referendum on Thursday, December 8, 2022 at 12:00 noon virtually and 7:45 pm virtually and in person in the Middle School Library, 165 Perryville Road, Hampton, NJ 08827. All voters are welcome to attend.

The public question for the school bond referendum will be presented to voters at a Special School Elections ballot on Tuesday, January 24, 2023. The polling hours are from 2pm to 8 pm. The referendum will fund necessary facilities upgrades and renovations at the Middle School to maintain safe facilities and to improve energy efficiency. For more information on the projects that are included in the referendum question, please visit the district's website.

The combined cost of the projects funded by the referendum is \$2,750,000.00. If approved on January 24, the district is approved by the NJ Department of Education to receive up to 40% of costs (\$1,100,000) in state aid, reducing the local taxpayers' share. Through Board of Education approval, we can utilize existing funds in the Capital Reserve to cover the cost of the project cost..
