August 27, 2017

Dear Parent or Guardian:

New Jersey Law requires each student with Asthma in our school district to have an Individual Emergency Asthma Treatment Care Plan completed by your physician. This Treatment Plan will be utilized in the event your child has an asthma flare-up at school. Please sign the bottom of the form and take the form to your child's physician for completion.

Dear Physician:

NJ state law states "that each student authorized to use asthma medication or a nebulizer pursuant to N.J.S.A. 18A:40-12.3, have an asthma treatment plan prepared by the student's physician, which shall identify at a minimum, asthma triggers and an individualized healthcare plan, pursuant to N.J.A.C. 6A:16-2.1(a), for meeting the medical needs of the student while attending school or a school-sponsored event.".

Your patient has been identified to require an Individual Asthma Emergency Treatment Plan that will be utilized in the event your patient has an asthma flare-up while at school. To simplify the paperwork, we are supplying an Asthma Action Plan Form created by the NYDOH for your review. If you are interested in using this plan, please complete the appropriate sections and return the form. If this plan is not acceptable, please submit an alternate plan which contains information regarding known asthmatic triggers, current medication and emergency treatment instructions.

If you have any questions, please contact the school nurse at the student's school.

Sincerely,

Ronald M Frank, MD FAAFP
School Medical Inspector

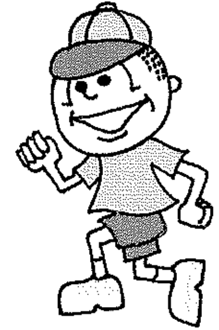
Asthma Treatment Plan – Student
Parent Instructions



The **PACNJ Asthma Treatment Plan** is designed to help everyone understand the steps necessary for the individual student to achieve the goal of controlled asthma.

1. **Parents/Guardians:** *Before taking this form to your Health Care Provider,* complete the top left section with:
   - Child's name
   - Child's date of birth
   - Child's doctor's name & phone number
   - An Emergency Contact person's name & phone number
   - Parent/Guardian's name & phone number

2. **Your Health Care Provider will** complete the following areas:
   - The effective date of this plan
   - The medicine information for the Healthy, Caution and Emergency sections
   - Your Health Care Provider will check the box next to the medication and check how much and how often to take it
   - Your Health Care Provider may check **"OTHER" and:**
     - ❖ **Write in asthma medications not listed on the form**
     - ❖ **Write in additional medications that will control your asthma**
     - ❖ **Write in generic medications in place of the name brand on the form**
   - Together you and your Health Care Provider will decide what asthma treatment is best for your child to follow

3. **Parents/Guardians & Health Care Providers together** will discuss and then complete the following areas:
   - Child's peak flow range in the Healthy, Caution and Emergency sections on the left side of the form
   - Child's asthma triggers on the right side of the form
   - Permission to Self-administer Medication section at the bottom of the form: Discuss your child's ability to self-administer the inhaled medications, check the appropriate box, and then both you and your Health Care Provider must sign and date the form

4. **Parents/Guardians:** *After completing the form with your Health Care Provider:*
   - Make copies of the Asthma Treatment Plan and give the signed original to your child's school nurse or child care provider
   - Keep a copy easily available at home to help manage your child's asthma
   - Give copies of the Asthma Treatment Plan to everyone who provides care for your child, for example: babysitters, before/after school program staff, coaches, scout leaders

PARENT AUTHORIZATION

I hereby give permission for my child to receive medication at school as prescribed in the Asthma Treatment Plan. Medication must be provided in its original prescription container properly labeled by a pharmacist or physician. I also give permission for the release and exchange of information between the school nurse and my child's health care provider concerning my child's health and medications. In addition, I understand that this information will be shared with school staff on a need to know basis.

____________________________ ________________ __________

Parent/Guardian Signature Phone Date

FILL OUT THE SECTION BELOW ONLY IF YOUR HEALTH CARE PROVIDER CHECKED PERMISSION FOR YOUR CHILD TO SELF-ADMINISTER ASTHMA MEDICATION ON THE FRONT OF THIS FORM.

RECOMMENDATIONS ARE EFFECTIVE FOR ONE (1) SCHOOL YEAR ONLY AND MUST BE RENEWED ANNUALLY

☐ I do request that my child be **ALLOWED** to carry the following medication ____________________ for self-administration in school pursuant to N.J.A.C:.6A:16-2.3. I give permission for my child to self-administer medication, as prescribed in this Asthma Treatment Plan for the current school year as I consider him/her to be responsible and capable of transporting, storing and self-administration of the medication. Medication must be kept in its original prescription container. I understand that the school district, agents and its employees shall incur no liability as a result of any condition or injury arising from the self-administration by the student of the medication prescribed on this form. I indemnify and hold harmless the School District, its agents and employees against any claims arising out of self-administration or lack of administration of this medication by the student.

☐ I **DO NOT** request that my child self-administer his/her asthma medication.
